

TERRACORPS: Connecting land and people for life

TerraCorps works at the intersection of the land trust and urban agriculture movements to create a future where land is the foundation of health and well-being for ALL people in EVERY community.

Come serve as a TerraCorps member at a local nonprofit and help create land equity across Massachusetts. This year, we are looking to fill the following positions:

- Land Steward Coordinator
- Youth Education Coordinator
- Community Engagement Coordinator
- Regional Collaboration Coordinator
- Sustainable Agriculture Coordinator

As a TerraCorps member you can:

- Help** communities conserve land
- Teach** future farmers how to grow organic food
- Build** trails for all abilities to exercise on
- Organize** volunteers at community farms
- Help** kids grow vegetables at schools
- Teach** youth about nature
- Grow** food in urban spaces
- Preserve** farmland for future generations
- Care** for wildlife on public land
- Help** local nonprofits achieve their mission

Position and Benefits:
Members join the TerraCorps program and serve an 8 month term, from December 2020 to July 2021. during their term of service, members receive:

- A living allowance of \$10,366 (pretax)
- Education award of \$4,336.50 (pretax)
- Mentorship, trainings, career development opportunities
- Loan forbearance, health care, child care, and more!
