

## TERRACORPS

**TerraCorps** is an AmeriCorps affiliated start-up environmental non-profit preparing and mobilizing emerging leaders to help communities gain access to and conserve land for people and nature. Working at the intersection of the land conservation and urban agriculture movements, our vision is to create a future where land is the foundation of health and well-being for ALL people in EVERY community.

This year's TerraCorps program will support up to 60 full-time AmeriCorps Members across Massachusetts and Rhode Island each serving in one of five positions: Land Stewardship Coordinator (LSC), Land Conservation Coordinator (LCC), Community Engagement Coordinator (CEC), Youth Education Coordinator (YEC), or Sustainable Agriculture Coordinator (SAC). Members will serve in full-time, 11-month terms (August 29th, 2022-July 28, 2023) in which they complete at least 1,700 hours of service with one of our partner organizations. Members receive a living allowance, education award, and additional AmeriCorps benefits (see full list at end of announcement).

Mass Audubon's Central Region will host a Community Engagement Coordinator for the 2022-23 service year. Information about all TerraCorps positions is available at <https://terrakorps.org/>.

Mass Audubon is the largest nature-based conservation organization in New England. Founded in 1896 by two women who fought for the protection of birds, Mass Audubon carries on their legacy by focusing on the greatest challenges facing the environment today: the loss of biodiversity, inequitable access to nature, and climate change. With the help of our 140,000 members and supporters, we protect wildlife, conserve and restore resilient land, advocate for impactful environmental policies, offer nationally recognized education programs for adults and children, and provide endless opportunities to experience the outdoors at our wildlife sanctuaries. Explore, find inspiration, and take action at [massaudubon.org](http://massaudubon.org)

Mass Audubon's Central Region covers Worcester County and beyond, including Broad Meadow Brook Wildlife Sanctuary (BMB) in Worcester, Wachusett Meadow Wildlife Sanctuary (WM) in Princeton. These two sites each have a vibrant nature center that is open year-round. Each operates summer camp and a multitude of programs on and off-site. Each site boasts extensive trail systems and a host of

sustainability features such as rain gardens, PV arrays, and intentional pollinator-friendly landscapes. The two locations have decidedly different characters, one urban, the other rural. Staff operate regionally as a team, but are usually based at a single site. Additional community sanctuaries are located throughout and just beyond Worcester County.

**Community Engagement Coordinators (CEC)** build the long-term capacity of their Service Sites by developing and leading culturally inclusive programming, events, and volunteer opportunities that provide broad social and environmental benefits to underrepresented beneficiaries. Member projects address inequities in public health, economic opportunity, education, land accessibility, and environmental sustainability. Through engaging diverse peoples and collaborating with community partners, CECs build bridges that reinforce the connection between land and a sustainable social, economic, and environmental future for all people.

TerraCorps Members engage with their supervisors to develop and carry out three or more capacity building projects over the course of the service year. Some of these projects will involve recruiting, training, and/or managing community volunteers. **Mass Audubon-Central Region has proposed the following potential project for their Community Engagement Coordinator:**

- 1) Develop a series of events to reach new participants across our service area by collaborating with local community groups, civic organizations, nonprofits, libraries, schools, and hospitals.

Development of these and other projects will occur during the first two months of service and consider the Member's interests and skills.

### AmeriCorps Member Eligibility Requirements

All Members are expected to serve full-time, commit to serve for the entire 11-month term, and complete at least 1,700 hours of service, including time spent in trainings and several service days with the full TerraCorps cohort. Weekly service averages 38 hours and commonly includes some night and/or weekend activities.

AmeriCorps programs provide equal opportunities. TerraCorps will recruit and select persons in all positions to ensure a diverse and inclusive climate without regard to race, religion, sex, sexual orientation, age, veteran status, color, political affiliation, creed, national origin, marital status, or any other status as protected by federal, state, and local laws. We encourage applications from individuals with disabilities and will provide reasonable accommodations for interviews and service upon request.

### Member Compensation and Benefits

- TerraCorps Members will receive a living allowance of up to \$18,500 (pre-tax) over the 11-month term of service, which is \$740 (pre-tax) per 25 biweekly pay periods.
- TerraCorps assists Members in obtaining health insurance coverage. Reimbursement of costs may be available.
- Childcare assistance may be provided in cases of financial need.
- Upon successful completion of a term of service, AmeriCorps Members receive a taxable \$6,495 education award that can be used for future education or to pay off existing school loans. See <https://americorps.gov/members-volunteers/segal-ameri-corps-education-award> for info and restrictions.
- TerraCorps Members are eligible for forbearance of most federally-guaranteed student loans, as well as payment of interest accrued during service.
- TerraCorps Members will receive mentorship, training, and career development opportunities while serving directly with community-based nonprofits.
- TerraCorps Members experience the personal rewards of national service and community engagement.

**Note:** TerraCorps Members are responsible for their own housing and must have access to reliable transportation.

### How to Apply

To apply for this position and to learn more about other TerraCorps service Member opportunities, please visit the following page on the TerraCorps website at <https://terra-corps.org/member-position-listing/>.

**Note:** A complete Member application includes a resume and two professional or academic references that you will upload as part of your application.

Member applications will be collected by TerraCorps and shared with Service Sites. **Do not send applications directly to a Service Site.**

We strongly encourage interested individuals to apply as soon as possible once applications are posted in May 2022. Position offers and acceptances will be made on a rolling basis. The program aims to fill all

positions by mid-July, but Service Sites will continue interviews as needed until all positions are filled. For questions about TerraCorps please email [spollock@terracorps.org](mailto:spollock@terracorps.org).

### **Additional Information About this Program**

**TerraCorps** seeks to create change by achieving a broader, more authentic engagement of the diverse peoples living in our communities. When we do this, resources will grow, access to land will increase, the pace of land conservation will accelerate, and whole communities will achieve more resilient futures. To learn more about TerraCorps, visit: <https://terracorps.org/>.

**AmeriCorps** engages more than 75,000 people in intensive service each year through more than 15,000 nonprofits, schools, public agencies, and community and faith-based groups across the country. AmeriCorps Members help communities tackle pressing problems and, also leverage their service by mobilizing volunteers to help address community needs for environmental stewardship, health, education, economic opportunity, disaster services, and support to veterans and military families.
